Canvassing/Street Team/Events
Help Spread the word about Broadband in Greenfield!

Greenfield Community Energy & Technology (GCET) provides critical telecommunications technology services to residents and businesses in Greenfield, Massachusetts, fostering community and driving economic development.

GCET services are launching soon, and we need YOU to help spread the word! We’re building the GCET Street Team, and we need a few reliable, friendly canvassers to hang posters and distribute promotional materials in downtown Greenfield and surrounding neighborhoods. This is fun work—no desk! And better yet…you’re helping the community, by letting everyone know about Greenfield’s awesome new high-speed broadband network.

Hours are variable and flexible. This is a contract (non-employed) position, compensated at the rate of $12 per hour. It’s a perfect job for students and others seeking flexibility.

If interested, please email lfrankl@gcet.net. Please tell us a little bit about yourself. We’ll follow-up to schedule an interview. EOE. www.gcet.net
